QUICK ROOFING

Established & Esteemed

Founded in 1984 by Jeff Quick, Quick Roofing, LLC has been serving builders and homeowners for 30 years. With a dedication to provide the highest quality workmanship and customer service, Quick Roofing has grown into one of the largest and most established roofing companies in areas in which we operate.

The diversified team of office personnel, project managers, roofing crews, repair technicians and sales representatives remain eager to serve clients with their combined expertise. While many companies start or ramp up because of storms, Quick Roofing is distinguished by its well established base in new construction, commercial and multi-family roofing. This allows Quick Roofing the privilege to provide professional installations by crews that have worked together for more than 25 years, and the confidence to offer one of the most esteemed warranties in the industry.

Quick Roofing understands and is committed to safety on our job sites. We spend time and money to insure that everyone is trained properly and use proper safety techniques. All OSHA standards are followed and managed by OSHA Certified Managers/Trainers. We have built a culture in our business that demands safety at all times.
